

Tennis Clinics @ Meadowbrook

Meadowbrook will offer a tennis clinic and recreational swim between the hours of 3:45 and 5:45 p.m. on selected days each week. The clinic is open to campers who have completed kindergarten and up.

The tennis clinics will be organized and run by our senior tennis counselor who brings years of experience coaching at the high school level, providing private lessons at various country clubs, and teaching tennis lessons to young children.

The clinics are structured so that campers will have a snack and then be split into into either group A or B based on their age. One group will have a free swim while the other plays tennis; then groups will switch. Campers in third grade groups and higher, who do not wish to swim, will have the option of staying at the tennis courts and practicing what they have learned during their clinic.
